

WINTER CAMPS 2027

From 10.01.2027 until 19.03.2027
(Minimum stay 2 weeks)

**For children from
3 to 14 years old**

Our Winter Camps offer your children the opportunity to ski every day. Located in the ski resort Villars sur Ollon, we have direct access to the more than 100km of ski slopes of Villar-Gryon-Les Diablerets-Glacier 3000.

Come and join us for an unforgettable experience. Make new friends, learn how to speak French in our bilingual community and learn how to ski like the best!

On the slopes, your children ski in small groups, benefiting from the guidance of experienced professionals, ensuring continuous improvement in their skills. As one of the best Ski Camps in the Swiss Alps, Préfleuri emphasises the importance of following clear safety instructions, for the well-being of each child and of the groups.

This safety-focused and educational approach is at the heart of our mission, ensuring a rewarding and memorable skiing experience.

The after-ski programme includes other winter sports like ice skating, tobogganing, and dog-sledging. Your child will visit a chocolate factory, enjoy the thermal baths and much much more!
