For children from 3 to 14 years old

For 79 years, we have welcomed children aged 3 to 14 from around the world into our warm, family atmosphere. Set in a two-hectare estate, just 2 km from the renowned Swiss Alpine resort of Villars-sur-Ollon, we offer an exceptional natural mountain setting. From the youngest campers to teenagers, every child can share in the adventure and make lasting memories.

OUR COURSES

From beginners to advanced learners, children develop their French or English with our accredited native French or English-speaking teachers. Academic support classes are also available for children who need them.

A TYPICAL DAY

Camp weeks begin on Saturdays, with arrivals and departures on that day.

Morning: 3 hours of language lessons in English or French.

Afternoon: tennis, horse riding, banana boating, climbing, mountain biking or kayaking bring fresh opportunities to get active, explore and enjoy an adventure each day.

Evening: laser tag, team games, themed evenings, discos and shows keep the fun going. Our much-loved buffets add to the shared moments that make camp life so memorable.
